Eligibility

Given the apolitical nature of the event and the sensitive nature of the closed-door meetings with Australia Government Ministers and Department representatives, this event is only open to non-elected officials of Australian local governments.

Cancellation Policy

Refunds upon cancellation of attendance are available until 4 May 2021. After this point, individuals at the ticket-holder's organisation may be substituted in lieu of a refund. Unpaid invoices will not be accepted as cancellation and payment will still be required upon registration.

Privacy Policy

Local Government Professionals Australia acknowledges and respects the privacy of individuals.

Some of the information you provide to Local Government Professionals Australia is "personal information," as defined in the Privacy Act 1988 (the "Act"). This information is being collected for the purpose of: processing your application for a National Council Package; processing your registration to an event or program; keeping you informed of upcoming events and programs; marketing the services of Local Government Professionals Australia to you; and enhancing and developing Local Government Professionals Australia's relationship with you. The provision of the information is voluntary but if this information is not provided, Local Government Professionals Australia may be unable to provide these services to you.

At the commencement of each event, Local Government Professionals Australia will distribute to each registered attendee a list detailing the name of each person who registers to attend the event or program and the council or organisation they represent upon request (if applicable). This list, together with the email address of every registered attendee, is also made available to corporate partners so that they can conduct research and market their services to you.

Each registration provides the opportunity for you to opt out of:

- having your information distributed amongst delegates and partners,
- having your information added to Local Government Professionals Australia's database and mailing list, and
- having your photographic image used to further promote and advertise events offered by Local Government Professionals Australia.
